

Deer Park PTA Business Partners

Deer Park Deer Park Elementary, established in 2006, is a Kindergarten through 5th grade elementary school located in northwest Hillsborough County. Deer Park is proud to be an “A” rated school with approximately 1000 students.

We are incredibly thankful to our local business partners for supporting the students, staff, and PTA here at Deer Park. With the generous monetary and in-kind donations from our multi-leveled sponsorships, we are able to keep a majority of our wonderful family events FREE to our Deer Park Families. With your generous donations, we hope to have business sponsors support our honor roll rewards, help us continue a mini-grant program to enhance learning in the classroom or online, and help develop mutual support and understanding between education, business and community.
